

Gold Evaporation Material

Au

Product family: Evaporation Materials

SUPPLY FORMS	INFORMATION FOR A PRECISE RFQ
• Pellets • Granules • Cut wire • Irregular pieces	• Purity • Preferred form • Pellet or wire dimensions • Total weight • Deposition method • Packaging

TYPICAL APPLICATIONS

- Metallization
- Electrical contacts
- Optical reflectors
- Semiconductor devices

ORDER AND DOCUMENTATION

Final purity, composition, dimensions, tolerances, analysis documentation, quantity, lead time and DAP or EXW delivery terms are confirmed in the Adesis quotation. Values in this guide are descriptive and do not constitute a binding product specification.
